This Authorization to Mark is for the exclusive use of Intertek's Client and is provided pursuant to the certification agreement between Intertek and its Client. Intertek's responsibility and liability is limited to the testing and certification of the goods. Intertek assumes no liability to any party, other than the Client, in connection with the use of this Authorization to Mark. Only the Client is authorized to permit copying or distribution of this Authorization to Mark and is restricted to the conditions laid out in the agreement, and in this Authorization to Mark. Any further use of the Intertek name for the sale or advertising of the tested material, product or service must first be approved in writing by Intertek. Initial Factory Assessments and Follow-up Assessments are for the sole purpose of the certification agreement, they are not for the purposes of production quality control and do not relieve the Client of its responsibility for quality control.
